Excellence. Accountability. Impact.™

Confirmed by the National Standards for
U.S. Community Foundations in operational
quality, donor service and accountability.

MESSAGE FROM THE PRESIDENT

fact, Sammy Saunders, a local CPA and founding treasurer, likes to remind us he carried our treasury in his pocket!

Today, at \$28 million in our treasury, we are the 12th largest foundation in Virginia. In the past 20 years, we have returned to our community approximately \$18 million in grants and scholarships from donor receipts of \$29 million. There are over 3,000 wonderful donors who enable us to achieve such success. For example, just last year, we awarded 80 scholarships of \$153,400 and \$1,113,242 grants to 163 organizations.

We could not have accomplished this without the help of our funders such as the Danville Regional Foundation, Womack Foundation, Carrington Trust, Grant Trust, J.T. Minnie Maude and many other contributors. Another proud accomplishment, since 2004, has been to serve as fiscal agent to the area's Veterans Memorial, where over 6,300 bricks have been placed to honor and remember our veterans.

A recent project, funded in part by Duke Energy, has begun to utilize \$500,000 to aid and assist grantees in efforts to protect and enhance the Dan River and the Dan River Basin for our citizens. This year, we have also created an "Agency Emergency Fund," to offer a one-time grant of up to \$25,000 to support agencies with an unforeseen crisis.

So, while we are proud of the assistance we have provided to our community in

cooperation with our donors since 1996, we want to make an even bigger impact and difference in the next 20 years. In cooperation with other regional donors and funders, our goal is to continue to be a foundation of hope, energy and assistance to the Dan River Region in ways that make a difference for every citizen.

From small beginnings in September, 1996 to huge results in the past 20 years, The Community Foundation of the Dan River Region has been fortunate to have donors who have helped us provide for so many community needs. For these successes, in 2016, we want to recognize and celebrate the generosity of our donors, and we hope to discover new ways to make a bigger community impact for those we strive to serve in the next 20 years.

Thanks to people like Whitt Clement, our "founding father," then an Estate Planning Attorney, aided by Charles Womack, a local entrepreneur, we did begin with literally a zero balance. In

WHAT IS THE COMMUNITY FOUNDATION

The Community Foundation of the Dan River Region is an independent, public charity established in September 1996 by a steering committee of local civic leaders to gather permanent funds to support our area.

While the Foundation works with donors to establish funds to benefit any geographic area, our primary service area

is Danville/Pittsylvania County, Virginia and Caswell County, North Carolina. Donations are also being sought to build resources for South Boston/Halifax County, with consideration being given to other neighboring counties.

Community foundations are established to manage a collection of separate funds created by individuals and corporations – a community of donors – to enhance the quality of life in a local area. These funds are pooled and invested under the direction of a board of directors comprised of community leaders. Income from the funds is distributed in the form of grants and scholarships. The first community foundation was created in 1914 in Cleveland, Ohio. There are now more than 700 community foundations nationwide, controlling aggregate assets in excess of \$25 billion. Community foundations are the fastest

growing form of philanthropy in America today and often are in the vanguard of charitable giving.

The Community Foundation is fully tax-exempt as an organization described in Sections 501(c)(3) and 170(b)(A)(vi) of the Internal Revenue Code.

Our Vision

To recognize needs and provide resources to improve the quality of life in our community and to serve the wishes of our donors.

Our Mission

To improve and enrich the lives of people in our community by encouraging the generosity of donors; by receiving, managing and distributing important resources; and by meeting a variety of charitable purposes in our community.

COMMUNITY FOUNDATION BEGINS PITTSYLVANIA ANIMAL SHELTER FUNDRAISING EFFORTS

On September 1, 2016, The Community Foundation of the Dan River Region began accepting donations to support enhancements and possible expansions to the new Pittsylvania County Animal Shelter being constructed on Route 29 in Blairs.

Pittsylvania County Animal Shelter Fund

The Pittsylvania County Animal Shelter Fund was opened in 2008 by a private donor with The Community Foundation to benefit the Pittsylvania County Animal Shelter and to encourage the construction of a new shelter. Several grants have been made to the County and the local SPCA chapter from the Fund.

In August, 2016, the Pittsylvania Board of Supervisors approved entering into a new agreement with The Community Foundation to accept new pass-through donations into the Pittsylvania County Animal Shelter Fund. This will support short and long-term enhancements and possible expansions to the new shelter. The new shelter will provide significant improvements for the care of unclaimed dogs and cats as well as more visible and easier access for area citizens interested in adoption. The current Pittsylvania County Animal Shelter has had repeated violations due to inability to clean and dry the floors properly, which

leads to diseases being spread among the animals.

The Board of Supervisors awarded the bid for the Pittsylvania County Animal Shelter to Blair Construction, with two alternates for a total construction cost of \$3.24 million. The two alternates are acoustical panels, to cut down on noise, and a small addition to the north side of the building, which adds \$94,000 to the base bid of \$3.14 million.

Other alternatives that were cut from the bid but may be added if sufficient funds are raised through The Community Foundation include:

- Real Life/Visitation Addition
- Livestock Shelter
- Matching Veneer Siding

Donors may also be given special naming opportunities throughout the project.

Area donors have already created several other animal welfare funds with The Community Foundation, including the Veterinary Emergency Treatment Fund (V.E.T. Fund), Animal Welfare Fund and the Irving H. and Louise Hambrick Scarce Animal Welfare Fund. Anyone can donate to the any of these funds or start their own fund.

How to Give

Animal lovers who wish to support the Pittsylvania County Animal Shelter Fund can send donations to The Community Foundation, 541 Loyal Street, Danville, VA 24541. Online credit card gifts can be made at www.cfdr.org. Please designate the Pittsylvania County Animal Shelter Fund for your gift.

In addition to monetary donations, The Community Foundation of the Dan River Region also considers donations of property and other assets. These donations can often relieve tax burdens for those who donate, their estates or their heirs. Our professional advisors will work with you to find the best options available for maximizing your gift's value.

STARTING A FUND

We invite you to join the thousands of donors who are working through The Community Foundation to build a strong future for our community.

Perhaps you have had a lifelong commitment to a particular charitable field and wish to support that interest in perpetuity. You may have a specific charity or charities in mind to receive income from your fund – or you may prefer an unrestricted gift, allowing the Foundation to determine where needs and opportunities are greatest in the community. You, and perhaps your family, may choose to be involved as advisors to a fund.

The Community Foundation encourages potential donors to also consult with their attorneys, accountants and tax advisors to learn more about charitable giving and establishing a fund through estate planning.

Donors can create their own Named fund for a minimum of \$10,000 (\$25,000 for scholarships) or they can contribute in any amount to an existing fund of the Foundation.

Unrestricted Funds give the Foundation maximum flexibility to respond creatively and effectively to the community's most compelling needs and opportunities. These funds are among the Foundation's most important assets, capable of addressing community needs as they change over time.

Field of Interest Funds are restricted by the donor at the time of creation to support a particular area of interest, such as children, the elderly, the arts, or the environment, etc. Once established, Field of Interest funds can grow through gifts from others who see them as a way to address their own charitable interests.

Designated Funds enable donors, at the time funds are established, to name one or more specific organizations to benefit from the fund permanently. The Foundation ensures that the designated recipients receive support as long as they remain in existence and continue to fulfill the intended charitable purpose.

Donor Advised Funds allow donors to recommend which charitable organizations should receive grants from their fund and in what amounts. Many donors choose to give to multiple nonprofits through a donor-advised fund. Our board of directors is legally responsible for approving all grants.

Scholarship Funds allow our donors to invest in the future by helping deserving students in our community. As the donor, you determine the criteria students must meet to receive your scholarship. Your gift can help students – from preschool to postgraduate – achieve their lifetime dreams. The Community Foundation provides the expertise to handle all of the application and selection process.

Agency Endowment Funds allow nonprofit organizations (agencies) to create a permanent and predictable source of funding dedicated for their organization. The agency can add to the fund as well as individuals, organizations and businesses.

THANK YOU

"Thank you for confirming my belief that dedication to athletics is important and life-changing. I will continue to strive for excellence in both athletics and academics during my time at college and in life. It means the absolute world to me that you see the potential in me and want to help me achieve my dreams.

I will always remember your generous donation when I am out in the world accomplishing great things as a doctor! I hope one day I will be able to help other students achieve their goals just as you have helped me."

CFDRR HISTORY 1996 - 2016

1996 The foundation was incorporated in September, 1996 as the DPC Community Foundation – which stood for Danville, Pittsylvania and Caswell.

Estate Planning Attorney Whitt Clement is considered the “founding father” with great support by Charles Womack, a local entrepreneur. Whitt, was a representative in the Virginia House of Delegates and had observed the Richmond community foundation at work. He also recognized there was no easy vehicle for people to give back to the area through their estates.

Bob Wiles, recently retired trust banker, was named as the first part-time director. The first office was a small room in the United Way building. Sammy Saunders, local CPA and founding treasurer, jokes about carrying the treasury around in his pocket since the foundation was truly started with a zero balance.

1998 The assets of the Faith Home Foundation were transferred to create the new donor advised Faith Home Fund with The Community Foundation. This included the land and buildings of the former Faith Home orphanage, as well as the financial reserves. The total value of the gift was \$7.7 million, bringing The Community Foundation’s assets to \$8,324,655. The former Board of the Faith Home Foundation became donor advisors to the new Faith Home Fund. The Community Foundation office was relocated

to an office in the Danville Area Chamber of Commerce.

1999 Debra L. Dodson was named the first full-time director of the foundation. Bob Wiles continued as senior advisor for a year.

2001 The office moved to a two-room suite without windows on the third floor of the First Citizens Building. Cindy Holshouser was hired as the first part-time financial assistant.

2004 After having been approached by donors in both Henry and Halifax Counties, the foundation changed their name to reflect a more regional service area. The Community Foundation of the Dan River Region was chosen to serve the region of Martinsville-Henry County to South Boston/Halifax County, including the neighboring North Carolina counties.

CFDRR agreed to serve as fiscal agent for a new area Veterans Memorial, with over 6,300 bricks having now been sold. A permanent endowment for the Memorial was created in 2010.

2005 CFDRR received a \$3.6 million bequest to create an unrestricted fund. (Total assets of \$11,857,508.)

CFDRR converted from

QuickBooks to FIMS Accounting System (Foundation for Information Managements) in order to properly account for the growth in assets.

2006 With assets of \$15,753,320, CFDRR contracted with Mangham & Associates for investment consulting and to help diversify the Foundation’s assets.

2007 CFDRR purchased the former law office of Brian Turpin at 541 Loyal Street for \$250,822. The Board-designated Swanson Fund paid for new office space. A sizeable donation was made by Brian Turpin to offset the original asking price.

CFDRR successfully met all the requirements for National Standards for Community Foundations through the Council on Foundations.

CFDRR received a capacity building gift from the newly-created Danville Regional Foundation. This enabled the hiring of the first Program Officer, Jo Ann Herndon.

2008 Assets of the Dan River Inc. Foundation totaling \$2.8 million were transferred to a new Dan River Inc. Endowment Fund with CFDRR. The former Board members became donor

advisors to the new fund. (Total assets \$17,292,573.)

2008 – 2015

CFDRR became the fiscal agent for the regional National Fund for Workforce Solutions Collaborative. Over time, this fund received grants from local, state and national foundations.

2012 CFDRR successfully met all the requirements for the second five-year approval of the National Standards for Community Foundations through the Council on Foundations.

2013 With assets of \$25,302,111, CFDRR contracted with Dahab Associates for investment consulting and to help simplify the Foundation’s investments.

An online scholarship and grant application process was begun.

2015 More than \$4.2 million received in gifts and bequests. (Total assets \$29,366,999.)

RiverBank Fund initiative began by CFDRR to protect and enhance the Dan River.

2016 CFDRR enters into an agreement with Pittsylvania County to receive donations on behalf of the new Pittsylvania County Animal Shelter.
